It is required that each of our campers wears a camp shirt on a daily basis. Many camps require a uniform for their campers, and we at Long Island Voyager's Day Camp see the benefits of having our campers wear a camp shirt each day. Directors and counselors will be in uniform as well. Wearing camp shirts helps aide in the camp's family atmosphere, also for the safety and security of every camper it helps identify any camper as a member of our camp to all our staff.
